Kits

Marine National Parks and Marine Sanctuaries Education Kit

Parks Victoria Phone: 13 1963

A comprehensive resource kit for Victoria Marine National Park system.

The kit includes the following items

- a comprehensive CD which includes Parknotes, maps, images, Presentation files, lesson ideas and more
- video footage of all the Marine National Parks and some Marine Sanctuaries
- a series of posters
- a guide to rocky shore environments
- a Marine National Park system overview brochure

Beachcombing Kit (MY – LY)

Produced by the Marine Discovery Centre Queenscliff 2000

Aimed at Primary and Secondary to Year 10
Primary kit includes age appropriate resources and guide – Matching games, What am I? Etc.

Secondary kit includes classification resources - Molluscs, Crustaceans etc. and an age appropriate resource guide.

Both kits include a selection of quality marine posters.

Available from the Marine Discovery Centre in Queenscliff (03) 5258 3344

Borrow for 3 weeks Minimal cost + return postage

Drains to the Bay. A water pollution kit (MY)

Melbourne Water and Rotary 1992

Contains a 10 minute video, information booklet for teachers including suggested activities.

Available from the Gould League
(03) 9532 0909

Marine and Coastal - Endangered Ecosystem Information kit

Victorian National Parks Association
Ph: (03) 9650 8296

Octopus's Garden Kit - a comprehensive kit designed for 3-8 year olds 1996 (EY)

Available from the Marine Discovery Centre in Queenscliff Victoria (03) 5258 3344

Or Underwaterworld Mooloolaba Queensland (07) 4448 088

Kits may be borrowed for 3 weeks at a minimal cost

Port Phillip Bay Environmental Study – Primary Education Kit (MY)

Produced by Melbourne Water 1996
Available from the Gould League (03) 9532 0909

Primary teacher resource about Port Phillip Bay or a water catchment. Package includes a teachers' booklet with background information and Science, SOSE and

Technology activities, a bay poster map and a video.

Port Phillip Bay Environmental Study – Secondary Education Kit (MY – LY)

Produced by Melbourne Water 1996

Available from the Gould League

(03) 9532 0909

Secondary teacher resource about Port Phillip Bay. Includes information on plant and animal life, physical and geological processes and the health of the Bay. A number of posters, information sheets and a video completes this package.

Secrets of the Sea Curriculum Resource Kit (EY)

Science and Technology Education in Primary Schools (STEPS) multi-media resource.

Package includes 2 x 30 minute video programs, a CD and a detailed curriculum booklet. An interactive website is developed around this package at

<http://www.sofweb.vic.gov.au/steps>

Southern Diversity Exhibition Kit (MY-LY)

Melbourne Museum (2000)

Comprehensive Teacher's Kit and student information guides relating to the biodiversity of South Eastern Australia. Available to class bookings or from the Museum shop.

Swan Bay Catchment Awareness Project. Schools Education Kit (MY)

Marine and Freshwater Resources Institute – Queenscliff, Victoria (1997)

The Water Cycle (EY-MY)

J. Dart & M. Galletly. Barwon Water (1993) Information booklet of activities and video for P-6 students. Developed for the Geelong area but could be adapted.

Available from Barwon Water Ph: (03) 5226 2332

The Waterways of Ocean Grove Schools Education Kit (Up-dated 2000) (MY)

Available for loan from Barwon Coast Committee of Management Ph: (03) 5254 1115

Marine Kit (EY –MY)

Teacher resource containing books, posters and stickers.

Available for purchase from the Gould League

Water Safety – Play it Safe by the Water – Primary School Education Kit

A Victorian Government Initiative. (1999)

Waterwatch Education Kit (MY)

Produced by Waterwatch Victoria and Barwon Water (1997)

Information and activities designed to highlight water quality issues in Victoria's waterways and wetlands.

CD Roms

- *The Dynamic Coast - Processes, Landforms & Human Impacts (LY)*
